

# RETRACTABLE STAND ECONOMY

Technical Specifications | R1.060515

## PRODUCT USAGE

This product is recommended for use indoors or temporarily outdoors.

## DESCRIPTION

The Retractable Stand Economy is an affordable retractable banner stand with a simple yet modern design. It stands at a height of about 7' and weighs only 6lb. These retractable banner stands are constructed of lightweight aluminum with prints that are already installed. The "retractable" feature allows for easy setup in minutes and collapses with the print safely inside the base. Its foldaway feet and included carrying case add to the portability of this display. Although it is not recommended for constant changing of prints, it can be used continuously for a single promotion. The Retractable Stand Economy can be used indoors as a point-of-purchase display to advertise a new restaurant at the local airport or to welcome a visiting sports team at a hotel. If used temporarily outdoors, it is suggested that you bring the Retractable Stand indoors during windy conditions or in inclement weather.

## PRODUCT SPECIFICATIONS

NAME	Retractable Stand Economy
PART NO.	#H_DS00350
WEIGHT	6.0lb
DISPLAY SIZE	2.8' x 6.9' x 1.2'

## PRINT SPECIFICATIONS
